

Teachers' Training Report for Academic Year 2025-2026

At Amara Jyothi Public School, we prioritize the growth and development of our teachers, recognizing its impact on the school's overall development and student success. Our commitment to delivering high-quality education drives us to invest in ongoing teacher training.

Importance of Teachers' Training

We believe that teacher training is vital for educators to stay updated on best practices, innovative methods, and technologies. This enables them to provide exceptional learning experiences for our students.

Planned Trainings for 2025-2026

Some key trainings planned for the upcoming academic year include¹:

- **Inclusive Education:** Training on inclusive teaching practices to cater to diverse student needs.
- **Special Education:** Workshops on supporting students with special needs.
- **Technology Integration:** Sessions on leveraging technology to enhance teaching and learning.
- **Subject-Specific Trainings:** In-depth training on specific subjects, such as mathematics, science, and language.

Ongoing Initiatives

Throughout the year, we will continue to provide opportunities for teachers to enhance their skills through:

- **Mentorship Programs:** Pairing experienced teachers with new educators for guidance and support.
- **Peer Observations:** Regular observations and feedback sessions to foster collaboration and growth.
- **Workshops and Seminars:** Inviting experts to share insights on best practices and emerging trends.

By investing in our teachers' development, we aim to create a nurturing environment that allows students to thrive and reach their full potential.
